### **TRA: Tennessee Do-Not-Call Program Remains in Effect**

**Nashville, Tennessee** – The Tennessee Do-Not-Call program remains in effect, say officials of the Tennessee Regulatory Authority (TRA).

“We are still accepting telephone numbers and enforcing the Tennessee Do-Not-Call law,” said TRA Chairman Debi Tate following today’s Federal Communications Commission (FCC) consumer news advisory.

“Over 900,000 Tennesseans have spoken loudly and clearly that they want protection from telemarketers and we remain committed to enforcing state law,” added Tate.
